## **From the National Director VIP.....**

Greetings Jeepettes,

I hope that everyone had a safe and happy holiday. And, a coming Happy Valentine's Day to all.

We have 4 Echelon's at 100% or better. Please help out Senior Vice Cathy Cosgrove reach her goal of 100%.

Thanks to everyone who contributed to the 'Stay at Home Tea' put on by Junior Vice Patricia Jackson-Kelley, Our Ways and Means projects need continuous support for our women veterans.

Ms. Stella West is planning a wonderful banquet for our National Banquet in Milwaukee.

I would like to see a lot of you at the WIMSA memorial on 31 May 2010. I am so honored and pleased to be representing the 20&4.

I had the honor of conducting the meeting for Texas Echelon 31. Our honored guests were Texas Department Commander Don Daft and National Vice Commander, Gene Schumacher, from South Dakota.

**Connie Jo Popham Purchis**

## Thoughts from our Senior Vice...

Our membership for this year is much lower than we hoped, and need, with a national total of only 44% so far. If we want to keep a viable Honor Society of Women Legionnaires, each of us needs to do her part: Please send your aide your dues for this year as soon as possible. We also need to be scouting for possible new members, and encouraging them to join.

Does the 20 & 4 have an impact on your life or emotional health? Does it feel good to be a member of an organized group of women veterans? Are you proud of your service? Do you continue to serve your community, state and nation in whatever ways you can? Please write me about what the 20 & 4 means to you. You can send me email to [cathycosgrove@frontiernet.net](mailto:cathycosgrove@frontiernet.net) or to my mailing address, 1506 E. 2<sup>nd</sup> St., Springerville, AZ 85938. There will be prizes!

If you have questions or issues that you need to raise, please contact your echelon aide, or me. I'll do all I can to get answers for you and help sort out difficulties or confusions. We really are in this together!

If you are a member of Echelon 32, California, please contact Kathleen Heeren at [cntrywmn@pacbell.net](mailto:cntrywmn@pacbell.net) as soon as possible. You may need to transfer to either Echelon 1 or Echelon 40. You can also contact her at 545 Trinity Drive, Vacaville, CA, 95687-5802 to make arrangements to transfer your membership. We want you to stay as a member, but we have more power to get things done when we work together within a functioning echelon!

Best wishes to all,  
Cathy Cosgrove,  
Sr. Vice Director VIP

### *National Jeep by email...*

In the last issue of the National Jeep, I suggested members receive their newsletter via email, unfortunately I had very few folks "sign-up". Hopefully it just slipped your mind to send me an email requesting the change. Please take a moment **NOW** and do it...this will save our organization money and if you've been having trouble receiving the newsletter, you might just solve that problem as well!

Please contact me at [sicily84@cableone.net](mailto:sicily84@cableone.net) and I'll get you set up. **By the way, the deadline for article submission for that newsletter will be March 20, 2010.** Until next issue.....*Jeri*

## Comments from the webmistress...

The National Twenty and Four website can be found at <http://www.twentyandfour.org/>. I have posted some pictures from the 2009 National Bivouac on the website and have started adding forms and newsletters.

I would like to have a page with information about each echelon – please send me officer information, local newsletters, plus information about projects, pictures, etc. If we don't toot our own horns about the many good things we accomplish, no one is going to know we exist!

If you have pictures or documents, or other information about your local projects and activities, please send them to me at my email address below. If there are local news articles on the web about your Echelon, send me the link and I will make sure it gets posted too.

Finally, I have also created a FaceBook presence for the National Twenty and Four and have posted some additional pictures from the 2009 National Bivouac as well as some other links to articles pertaining to women veterans on that site. Please stop by and visit!

# From the Junior Vice Director .....

Dear Fellow Jeepettes,

Happy New Year! I am grateful for your response to our Ways and Means project.

If you did not contribute to our major fund raising effort, I am sure it is an oversight. Thank you to the members who expressed a desire to do so, however financial challenges prevent them from doing so at this time. Your desire is most appreciated especially the fact that you took the time to identify your desire to give.

We plan to end this project by mid-February, so that we can launch phase II. If you misplaced your tea invitation – “have a heart” and mail your donation in honor of Sweetheart’s Day – Valentine Day – February 14, 2010.

If you sent a donation and your name did not appear in the Jeep, please let me know, so that we can attempt to locate your donation.

Thank you to the following Jeepettes for your generous donations.

## Editor thanks

Last year, our Senior Vice, Cathy Cosgrove, was kind enough to handle our Jeep mailing. Since then things have changed at her post and I've had to seek assistance from another.

This newsletter went our 1<sup>st</sup> class, but the future issues will be posted from Post 66 in Green Valley, AZ. My thanks to Post Cmdr Peg Curran, a 20 & 4 member, for helping us with this effort.

If you received your newsletter, but it was forwarded to you, please contact your aide to update your mailing address. *Jeri*

## Creation of Vietnam Vets .....

When the Lord was creating Vietnam veterans, He was into His 6<sup>th</sup> day of overtime when the angel appeared. "You're certainly doing a lot of fiddling around on this one."

And God said, "Have you seen the specs on this order? A Nam vet has to be able to run 5 miles through the bush with a full pack on, endure with barely any sleep for days, enter tunnels his higher ups wouldn't consider doing, and keep his weapons clean and operable. He has to be in top physical condition existing on c-rats and very little rest. And he has to have 6 pairs of hands." The angel shook his head slowly and said, "6 pair of hands...no way."

The Lord said, "It's not the hands that are causing me problems. It's the 3 pair of eyes a Nam vet has to have."

"That's on the standard model?" asked the angel.

The Lord nodded, "One pair that sees through elephant grass, another pair here in the side of his head for his buddies, another pair here in front that can look reassuringly at his bleeding, fellow soldier and say, "you'll make it"...when he knows he won't.

"Lord, rest and work on this tomorrow."

"I can't", said the Lord. "I already have a model that can carry a wounded soldier 1,000 yards during a fire fight, calm the fears of the latest FNG, and feed a family of 4 on a grunt's paycheck."

The angel walked around the model and said, "Can it think?" "You bet," said the Lord. "It can quote much of the UCMJ, recite all his general orders and engage in a search and destroy mission in less time than it takes for his fellow Americans back home to discuss the morality of the war and still keep his sense of humor; The Lord gazed into the future and said, "he will also endure being vilified and spit on when he returns home, rejected and crucified by the very ones he fought for." Finally the angel slowly ran his finger across the vet's cheek and said, "there's a leak....I told you that you were trying to put too much into this model."

"That's not a leak," said the Lord, "that's a tear." "What's the tear for?" asked the angel. "It's for bottled up emotions, for holding fallen soldiers as they die, for commitment to that funny piece of cloth called the American flag, for the terror of living with PTSD for decades after the war, alone with it's demons with no one to care or help". "You're a genius," said the angle, casting a gaze at the tear. The Lord looked very somber, as if seeing down eternity's distant shores. "I didn't put it there," he said.

A Budget is only a guideline and not intended to pay all the expenses of any one-officer/committee member. Meaning if the officers/committee members plan to travel extensively etc., they need to bear most of the cost.

In order to be paid your budgeted amount, you will necessarily present actual bills. All bills for the Bivouac must be presented to the National Disbursing Director within 2 weeks after the close of National Bivouac and will be applied to the expiring year totals. Of course the final figures should be printed in the National Jeep for all Jeepettes information.

The budget for the ensuing year will be presented at the Bivouac (every Jeepette will receive a copy), thus allowing everyone access and allow them to know our income and disbursements.
